MISSION:
Athletes Altering Destinies

VISION:
Empowering people to acknowledge and embrace their God-given destiny.

VALUES:
Faith
Excellence
Dedication

FED by the Holy Spirit
LED to Alter Destinies

All proceeds from this event will go toward local and international missions as well as helping lower income athletes be involved in Dribble for Destiny's Carolina Crusader basketball program. Through our Carolina Crusader Club, it is our objective to compete at the national level by reaching the National Tournament.

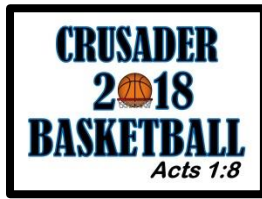

Also, much of our ministry is spent behind prison walls partnering with groups that are reconciling prisoners with their children. We have, to date, ministered in prisons not only in the US, but also internationally.

Through your gifts, we have been able to give basketballs to the inmates' children as a gift from their parents. If you are interested in going with us into a facility, your life will be changed as you witness relationships being reconciled.

"Athletes Altering Destinies"

Each year Dribble for Destiny adopts a theme that is woven into every aspect of our program – camps, clinics, mission trips, year-round training, basketball tournaments, or golf events. This year our theme is "You will be my witnesses..." based on Acts 1:8. Every undertaking we embark upon has one purpose in mind – move people to know that God loves them, He has a purpose for them, and their destiny is designed for them by Him.

As you give of your time, money, and resources, you, too, are a part of Athletes Altering Destinies. It is a divine appointment that you are partnering with us in this mission. We also want to partner with like-minded ministries and people. If you have an opportunity to use Dribble for Destiny in fulfilling your ministry, please let us know!

Pictured below is a group that ministered together recently in Pelham, GA, as the gospel was taken behind prison walls. Incarcerated dads and their children were reconciled that day. Dribble for Destiny is privileged to take the Good News of Christ to prisoners and their families all across SC, NC, GA, MI, and TX. Thank you for partnering with us to see generational curses broken!

INTERNATIONALLY... Recently returning from the XXX Olympiad in London, England, Dribble for Destiny shared testimony and performed multiple shows at venues such as Westminster Abbey, All Souls Church, and City Gateway. Because basketball is a language that allows barriers to be broken, D4D is able to spin and dribble and then share what is most important in life. D4D has had the privilege to perform in France, Malta, Brazil, Ecuador, Peru, South Africa, and Sydney, Australia. On their agenda in 2014 is Ukraine!

NATIONALLY... Dribble for Destiny has conducted camps and clinics, performed at various halftime events, banquets and school assemblies nationwide. Sherri Odlevak and her dedicated teammates share testimonies and motivational messages with life-changing results. Their most important goal is to alter a destiny by inspiring new thoughts to action, then applying action to habit, and that new habit to one's character.

LOCALLY... With more than 25 years of experience in coaching all ages from elementary school through Division I women's basketball at Furman University, as well as professional basketball handling performances, Sherri enthusiastically trains young people from all over the upstate in the gym located at Francis Asbury Methodist Church in Greenville, SC. These training times help young athletes improve all aspects of their game while developing self-esteem and confidence.

PRISONS... Dribble for Destiny has been privileged to minister regularly in prisons and juvenile centers nationally as well as overseas. Joining with Bill Glass' Champions for Life, Forgiven Ministry, Proverbs 226, and Awana, doors have been opened to share hope with not only inmates, but their children and families.

CAROLINA CRUSADER CLUB... The CCC was formed in 2004 to create teams to compete in the upstate of SC and local region. Tryouts take place the second week of February. Games run through the end of May with each team trying to reach the National Tournament. Our objective is to develop godly leaders by building an environment built on the Christian faith and principles. Competition, teamwork, integrity, honesty, and loyalty are all characteristics we are striving to develop. In order to participate in the CCC, each athlete must be passing all school subjects. Tutoring is available if needed.

Method of Payment

(Please make checks payable to
Dribble for Destiny)

Mail to:
Dribble for Destiny
